In re: WNSW(AM), Brewer, ME
Facility ID No. 25748

Dear Licensee/Applicant:

The license for the above-referenced station expired on April 1, 1998. An application for renewal of this station's license should have been filed by December 1, 1997. The licensee has failed to file the requisite license renewal application for the station that was due in 1997, which resulted in the expiration of the station's license. To date, we have no record of receiving a license renewal application from the licensee prior to expiration and the station's license has expired on its own terms.¹

Accordingly, all authority to operate station WNSW(AM), Brewer, ME IS TERMINATED and the call letters ARE DELETED. Any operation of this facility is now unauthorized and must cease immediately.

Finally, it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower be maintained until the tower is dismantled. Accordingly, the owner of the tower where the referenced station's transmitting antenna is located must maintain the tower in the manner prescribed by the Commission's rules and the terms of the expired license. See 47 U.S.C. Section 303(q) and 47 C. F. R. Section 17.6.

Sincerely,

James D. Bradshaw
Deputy Chief

Media Bureau

cc: Joseph E. Jurkenas

¹ On January 22, 2008, we received an application from Mr. Joseph Jurkenas purporting to seek renewal of the expired WNSW(AM) license. See File No. BR-20080122AAF. Because Mr. Jurkenas has no apparent connection with the licensee of record, we will dismiss that application.
